PRODUCT SPECIFICATION BULLETIN

CERTIFICATE of COMPLIANCE – CARBON STEEL WELDED PIPE NIPPLES

This letter shall serve as certification that all Carbon Steel Pipe Nipples manufactured in the USA by Quality Pipe Products, Inc. comply with specifications stipulated by conforming to MS51935, ASTM A-53/A-120 (raw material), ASME/ANSI B1.20.1 (pipe threading standard), and ASTM A-733 (dimensional requirements). We certify that the Quality Pipe brand black and galvanized pipe nipples are manufactured and inspected in the United States.

These products were not exposed to mercury or any other metal alloy that is liquid during the manufacturing process or while in our possession.

If you require further information or have questions, please contact us. Thank you for choosing Quality Pipe Products as your pipe nipple source.

Sincerely;

Quality Pipe Products, Inc.
