PRODUCT SPECIFICATION BULLETIN

CERTIFICATE of COMPLIANCE

WELDED TYPE 304 and 316 STAINLESS STEEL PIPE NIPPLES

This letter shall serve as certification that all Welded Stainless Steel Pipe Nipples manufactured by Quality Pipe Products, Inc. are domestically produced and comply with specifications stipulated by conforming to ASTM A-733, ASME/ANSI B1.20.1 (pipe threading standard), ASTM A-530, ASTM A-312 (chemical and mechanical requirements). These products to the best of our knowledge were not exposed to mercury or any other metal alloy that is liquid during manufacturing or while in our possession.

At this time, specific drawings or data on our Stainless Steel Nipples are not available. Please refer to the Mechanical Engineering handbook for more general information about pipe nipples and their specifications.

Thank you for choosing Quality Pipe Products as your pipe nipple source.

Respectfully,

Quality Pipe Products, Inc.
