Re: **Upcoming Price Increases – Domestic Steel Welded Pipe Nipples**

Valued Quality Pipe Products Customers,

Due to continuing escalating costs on raw material, freight and labor costs it is necessary to implement list price increases effective June 7, 2021. Your current established multipliers will remain the same.

Quality Pipe Products reserves the right to limit your order quantities based on your past order history. The new Excel list pricing will be available soon for download load at www.qualitypipe.com. Please let us know if you prefer hard copies and we can mail them direct to you.

Thank you for your continued support.

Sincerely;
