Re: **Upcoming Price Increases Effective February 1, 2021**

Valued Quality Pipe Products Customers,

Due to continuing escalating costs on raw material and labor costs it is necessary to implement another list price increase effective February 1, 2021. Your current established multipliers will remain the same. Quality Pipe Products reserves the right to limit your order quantities based on your past order history.

The list pricing for the January 11, 2021 price increases are now available on our web site for download. Please let us know if you prefer hard copies and we can mail them direct to you.

The new list pricing will be available soon for download on our web site at www.qualitypipe.com.
